## VAN DIE BECOORINGE DES DUVELS HOE HI CHRISTUS BECOORDEN

### The Temptation by the Devil, how he tempted Christ

The Temptation of Christ in the desert has frequently been dramatised, often as an episode in the cycles or cyclic plays, sometimes as a separate play, as in John Bale's *A brefe comedy or enterlude concernyng the temptacyon of our Lord and saver Jesus Christ* (c.1538)<sup>1</sup> or in the *Becooringe* by the otherwise unknown author Jan Tömisz.<sup>2</sup> The play is included in the collection of the Haarlem Chamber *Trou moet blijcken* but whether it was performed there or whether its author had a connection with the Chamber is uncertain.<sup>3</sup>

On the basis of the use of certain biblical passages, it has been suggested that the play was written after the so-called Van Liesvelt Bible, in Dutch, appeared in 1526.<sup>4</sup> Two issues which are prominent in the play, the persecution of heretics and the fierce dislike of mendicants, suggest that the date of origin might be the mid-1530s. At that time, especially in Amsterdam, executions of Anabaptists in particular increased dramatically and concurrently an anti-clericalism that was strongly aimed at mendicants, chiefly the Franciscans.

The Temptation episode, adhering closely to the account given in Matthew 4: 1–11 and Luke 4: 1–13, is in fact the smaller part of the play (lines 342–582). It is framed by the dialogue between two *sinnekens* and their interaction with Satan (lines 1–341 and lines 583–744). The *sinnekens*, *Eewige Haet* (Eternal Hate) and *Geveijnsde Hovaerdij* (False Pride) are the sole *dramatis personae* on the stage for the first 341 verses and then again from line 629 to the end. Their first interaction with the devil takes place between Jesus's monologue (lines 342–74) and the First Temptation, stones into bread (lines 459–80). A further exchange (lines 481–510) occurs between the First and Second Temptation, descent from the pinnacle (lines 511–22). Two other exchanges follow between the Second and the Third Temptation on the mountain (lines 523–70) and after the Third (lines 583–744).

The dialogue between the *sinnekens* first offers the conventional presentation of their evil actions, past and present. Then Pride taunts his mate with a riddle which centres on the meaning of the word *dragers* (carriers, wearers, or bearers). In forcing Hate to guess many times, all manner of 'carriers' are eliminated but finally a devastatingly critical

portrait emerges of the ‘holy hypocrites’ who ‘unctuously lean their heads on their shoulders / With their cheeks rounded like a piper’s jaw’ (lines 223–4) and ‘for their own benefit, wear / False habits’ (lines 283–4). The *sinnekens*, rather oddly, see themselves as the sole survivors of this evil group, for ‘Jehu has burned the whole pack of them together, see. / You’ll find no one like that anywhere, I hope, / Except for us two because we crept through the keyhole, / Even though the door wasn’t open, we knew how to hurry / Away from the searing fire’ (lines 287–91). This is a reference to 2 Kings 10 where Jehu destroys the entire House of Achab and all the servants of Baal, the latter sacrificed on a pyre. However, the *sinnekens* do expect that they themselves will generate many more of these evil characters, infected by False Pride and Eternal Hate, who will be happy to disguise themselves by pulling the monk’s hood over their faces and set about tempting people (lines 292–3).

Notwithstanding this confidence in their offspring, they are troubled by a more immediate concern, that is the coming of the Son of God and the nature of his being: is he merely Man or is he truly God? In order to determine this they hope to get hold of Satan so that he can be sent to tempt Christ (lines 295–7).

After a *Pausa* but without further preparation the audience is then presented with Christ in the Desert who, at the end of his forty days’ fast, praises God, formulates his mission on earth and voices his awareness of the death this will bring him (lines 342–74). This is then followed by Satan’s monologue in which he laments his fate of outcast and formulates his mission: Lucifer has commanded him to find out whether the Messiah has indeed arrived (lines 375–95).<sup>5</sup>

The *sinnekens* now establish their power over Satan, provide him with a disguise as a friar and tempt him through pride and vainglory to challenge Christ (lines 395–458). This is the pivotal moment of the plot and it initiates the comic isolation of Satan with Christ on the one side and the *sinnekens* on the other. The *sinnekens* anticipate eagerly the punishment Satan will receive in hell.

Satan’s attempts are of course pre-ordained to fail: his assault on Christ’s dignity and might is utterly futile and the audience knows this. The *sinnekens* do not make him fail but they cause the manner of his failing to make him completely ridiculous. In so doing they too affirm Christ’s divinity in spite of themselves. Because of the way they undermine Satan they reveal a hatred of the mendicant orders which goes well beyond conventional anti-clericalism.

ETERNAL HATE  
FALSE PRIDE  
JESUS  
SATAN

ETERNAL HATE, *a Sinneken*

Yoohoo! *False Pride*, come outside, do!

Jump out of your hiding place: you shall hear something new.

FALSE PRIDE, *a Sinneken*

What comes and sounds in my ears?

HATE Yoohoo! False Pride, come outside, do!

PRIDE I thought I heard someone singing or whistling. 5

I bet tuppence he wants to win a competition prize.

HATE Yoohoo! False Pride, come outside, do!

Jump out of your hiding place: you shall hear something new.

PRIDE I'm coming to you.

HATE Oh yes! You're looking pale as a sapling,  
May you be smothered under the ice in Lucifer's pools. 10

PRIDE But why, cousin?

HATE Because you are a perpetrator of all evil,  
And a pursuer of self interest, mate.

PRIDE What are you trying to say, *Eternal Hate*, you crook?  
Your false counsel turns up in all places.  
You deceived Lucifer with your false tricks 15  
When he began to compare himself to the Highest  
In eternal life.

HATE It was you, False Pride, who did that,  
It's you he can thank for his fall.  
PRIDE And you, *Eternal Hate*, these are all your tricky ways.  
You have wanted to meddle everywhere from the very beginning.  
You have hated, you must confess,  
The everlasting, divine love,  
That Almighty God felt towards mankind. 21

THE TEMPTATION BY THE DEVIL

- It is your fault he drove Adam from Paradise  
 When he had eaten of the forbidden fruit. 25  
 I have never heard tell of a greater outrage!  
**HATE** Yes, *False Pride*, how you incited him,  
 As became apparent. You started to mete out advice  
 In order that he might have knowledge of good and evil.  
 These are your murderous bites — you ugly carcass — 30  
 This you have managed, *False Pride*.  
 I wish you were sitting shaking in Lucifer's lock-up.  
**PRIDE** I wish you were sitting in Antichrist's bell tower!  
 Go and clean your clothes up, you drunken hippopotamus!  
**HATE** You're beginning to puff and blow as if you were a priest. 35  
 I say, shut your gob, you bearded ape! You ugly dromedary!  
**PRIDE** Shut up, you devil's lawyer,  
 Belial's ordinary! How much do you want to bite my tail?  
 But I know what you are afraid of.  
**HATE** Well, what is it?  
**PRIDE** You think I shall be talking about Cain and Abel, 40  
 You greedy Nabel with venomous teeth. Gen. 4  
 You have hated the just sacrifice  
 Which God caused to catch fire as he wished.  
 That's why Cain has slain his brother,  
 Through your envious gnawing: how could you deny it? 45  
**HATE** I tell you keep your bakehouse shut, or I'll bash you on the chops!  
 What do you want to accuse me of, you villainous salamander?  
 We are two of a kind.  
**PRIDE** You are everyone's assailant, with your false tricks.  
 It's a case of the devil making excuse for the devil! 50  
**HATE** Listen to his faults, too many to think of.  
 What ever do you mean?  
**PRIDE** You caused God to let all the world drown,  
 And sink into the abyss, you, *Eternal Hate*, you disgrace.  
**HATE** God's blood, why don't I throw you down into the street?  
 You bastard, False Counsel, you're worse than anything, 55  
 For Hate and Envy come from Pride.  
**PRIDE** I wish you were sitting on horseback in Lucifer's jaws.  
 I wish you were sitting where nowadays the highest scum sits!  
 Be quiet, or I will shout something that will make you ashamed.

THE TEMPTATION BY THE DEVIL

- |       |  |    |
|-------|--|----|
| HATE  | A house full of whores would have nothing on you.              | 60 |
|       | I know all your tricks: do you want me to hide them?           |    |
| PRIDE | I could have had you put in prison,                            |    |
|       | If I'd said what I'm thinking of now.                          |    |
| HATE  | What's this thing you know then?                               |    |
| PRIDE | You cause lots of cash to be gambled and wasted:               |    |
|       | I've spotted that alright, and you can't deny it,              | 65 |
|       | And when they have gambled it all away, you set them up again. |    |
|       | If that's wide of the mark, I'll be very cut up.               |    |
| HATE  | Well haven't you got anything else to reproach me with?        |    |
|       | May you shit yourself, you ugly facetious monkey               |    |
| PRIDE | And weren't you the advisor to the envious Nimrod?      70     |    |
|       | Even if I can't put it into words, you have to admit it.       |    |
| HATE  | And you caused him to be spurred on by pride                   |    |
|       | Into wars and battles, as one reads in the books of Moses.     |    |
|       | And also you'll find in there, if you pay proper attention,    |    |
|       | And search diligently for such things:                         | 75 |
|       | How he caused a tower in Babel to be made,                     |    |
|       | When God mixed up the languages,                               |    |
|       | Which he indeed caused to happen solely because of pride.      |    |
|       | How can you get away from this? Understand this lesson.        |    |
| PRIDE | I wish I were a prince of Babylon, and you a princess;      80 |    |
|       | Then I would fill my flesh with eternal hate.                  |    |
| HATE  | How I would then gorge myself on false counsel,                |    |
|       | And fill my knapsack with self interest!                       |    |
| PRIDE | Trumpet on, like a little man!                                 |    |
| HATE  | You ugly, dirty slob!  |    |
|       | You were the cause that Jacob uttered the lie                  | 85 |
|       | To Isaac, his father, with sweet words,                        |    |
|       | Saying, 'I am Esau, your dear son'.                            |    |
|       | And so he got the blessed benediction unfairly.                |    |
| PRIDE | Then it was your doing   |    |
|       | That great hate arose in Esau.                                 | 90 |
|       | As we read he became so utterly incensed                       |    |
|       | That he went and persecuted his brother,                       |    |
|       | When Jacob had deprived him of that great benediction,         |    |
|       | And Esau hunted him down to kill him:                          |    |
|       | And you it was who put that into Jacob's mind,                 | 95 |
|       | You, <i>Eternal Hate!</i>                                      |    |

DIE BECOORINGE DES DUVELS

THE TEMPTATION BY THE DEVIL

HATE	You really are the pits! You'd better keep very quiet about such nonsense. You puffed up his head full of pride That he seemed to rage like a mad tomcat.	
PRIDE	Have a look at this show off!	
HATE	Yes, have a look at this prattler! 100	
PRIDE	Have a look at this smart alec!	
HATE	Have a look at this holy priest! You are a trouble-maker between child and father.	
PRIDE	You are a filthy ruffian!	
HATE	And you are a traitor! Your venomous veins will surely burst from their own evil.	
PRIDE	Why are you gesticulating, devil? Are you trying to kill me? I would rather bite you, and tear you with my teeth. 106	
HATE	Hey, ugly thief, how many have you caused to be burned In various countries! God will surely make you regret it. This is what you've cooked up with your false mates.	
	If you have a minute, I'll show you what I mean. 110	
PRIDE	Now I've got something to say, if you don't mind, About how you dealt with Jacob's sons. When Joseph told them his dream	
	Then you inflamed them with hate and envy, As became obvious at the time, yes indeed it did! 115	
HATE	And you have filled them with pride, mate, As dogs devour rotting carcasses.	
PRIDE	And what for?	
HATE	Because they were frightened that he in the end Would triumph over their sheaves, And so they went and plotted with each other, 120 To acquire for themselves that which they desired.	
PRIDE	That was through you, <i>Eternal Hate</i> .	
HATE	And because of you, <i>Pride</i> .	
PRIDE	There never was a greater evil —	
HATE	That they, in the well, Most shamefully, would let him perish.	
PRIDE	Push him into the pit!	
HATE	Now he will die! 125	

DIE BECOORINGE DES DUVELS

| PRIDE | See there he lies, the sneak!   |     |
| HATE  | Now his dreams will be cut out of him,<br>Which will give him his just deserts.   |     |
| PRIDE | This is what they did to their brother —  |     |
| HATE  | As one could see.   |     |
| PRIDE | But the steadfast truth in God almighty<br>Has protected him.   |     |
|       | That is certainly true,   | 130 |

THE TEMPTATION BY THE DEVIL

- PRIDE                    Do you know what they shout?  
 HATE                    No, what?  
 PRIDE                    Justice! Justice! Justice!  
 With heavy punishment in all countries!  
 HATE                    So they are deprived of any benefice,  
 So that they shout — what do you say?  
 PRIDE                    Justice! Justice! Justice!  
 HATE                    I never heard, in all my days, of greater avarice,         160  
 Wherever I was, in any place.  
 What are they shouting, then?  
 PRIDE                    Justice! Justice! Justice!  
 With heavy punishment in all countries!  
 HATE                    Hang the thieves! Hang the thieves!  
 PRIDE                    Burn the heretics! Burn the heretics!                    165  
 Or you'll be shamed – that's the way of the world.  
 HATE                    Murderers on a rack.  
 PRIDE                    Yes, that's your crime.  
 HATE                    You, *Eternal Hate*, how can you deny it?  
 It is all your fault.  
 PRIDE                    Something new — I must tell you — comes to mind.  
 As sharp as ploughshares I know my teeth to be.                    170  
 HATE                    So, what are you trying to say?  
 PRIDE                    Only talking about our brothers-in-law.  
 These holy carriers who, without hesitation,  
 Come boldly to people's houses.  
 I don't want to name them in case someone hears or sees me.  
 HATE                    Are they wood carriers, did you say?  
 PRIDE                    No, no, they are not that.                    175  
 They won't take on that sort of hard labour.  
 HATE                    Are they beer carriers, then?  
 PRIDE                    No, they're very different;  
 But if you pay attention, you will guess it.  
 HATE                    Are they the carriers who go to the weighing house?  
 PRIDE                    Those who let the good liquid sink so gladly down their throats?  
 Well, these carriers I mean do like a drink,                            181  
 When the round disks are jingled under their noses  
 Be it evening or noon.  
 HATE                    Are they peat carriers, then?  
 PRIDE                    O, those poor beggars,

DIE BECOORINGE DES DUVELS

	die moeten wat doen sullense drincken off eeten. Maer deese draegers sullen van arbeijen niet sweeten,	185
	maer supen en vreeten als een verken int cot is dagelicxs haer manieren.

THE TEMPTATION BY THE DEVIL

- They really have to slave if they want to drink or eat.  
But these carriers don't get sweaty from work at all,      185  
But Guzzle and stuff themselves as a pig in a sty:  
These are their normal manners.
- HATE                                  Are they tipstaffs?  
PRIDE                                  Are you totally crazy?  
Those guys don't collect money in heaps.  
HATE                                  Are they the indulgence-carriers who sell pardons?  
Or the ones who walk with the begging box early and late. 190  
Pretending to do people good?  
I beg you, mate, haven't I guessed it?  
PRIDE                                  It was close:  
But you still haven't hit the nail on the head.  
HATE                                  Well, what carriers are they then?  
PRIDE                                  Well, it's these pious characters,      195  
Our venerable superiors, countless sack carriers.  
HATE                                  I bet you I'm going to guess it right first time.  
Whatever your tricks I'll get the better of you:  
It's those who carry the grain in sacks,  
Which people brew and bake for the benefit of mankind.    200  
Aren't they the ones?  
PRIDE                                  No, no, they have a totally different style.  
You can guess till you burst, but it won't help you;  
You're very wide of the mark still.  
HATE                                  Are they then solicitors, or advocates,  
Who talk so glibly in order to please people?  
Or those who carry their sacks of pleas to court      205  
To hunt treasure and wealth?  
Aren't they the ones?  
PRIDE                                  Oh no: you've spelled it out quite wrongly.  
I beg you, don't torment yourself any more  
Because you'll never guess it.  
HATE                                  But I implore you earnestly,  
My dear friend, please do tell me.                              210  
What carriers are they then?  
PRIDE                                  Well, I'm prepared to tell you, but keep it secret,  
Otherwise they would capture me and fetter me in dungeons.

DIE BECOORINGE DES DUVELS

Maer wildijt niet voort seggen, ick salt u luijsteren

HAET	Sijnse dit, dese gierige bloet honden, die altijt begonden twijst en erreur quaet in een goede gemeente te maeken?	

THE TEMPTATION BY THE DEVIL

But if you promise not to reveal it, I'll whisper it,  
And lower my voice so that no one can hear it.

*Here they whisper together.*

HATE says	Murder, whoreson, murder!	215
	That kind of scum, wherever they may be.	
	Those are the carriers who can gobble up a camel	
	From head to tail; you've got to realise that!	
PRIDE	These are the ones who carry off profitable goods	
	With their shouting and yapping for their own sweet profit.	
HATE	They are real holy hypocrites,	221
	Who tear and bite furiously like venomous snakes.	
PRIDE	These are the ones who unctuously lean their heads on their shoulders	
	With their cheeks rounded like a piper's jaw.	
HATE	These are the ones who want to make themselves holy.	225
	Who could possibly criticize their beautiful tales?	
PRIDE	These are the ones who see a mote fly	
	Into someone else's eye, like underhand cheats,	
	But they don't see the beams in their own eyes.	
HATE	Each of them flies like a falcon to sell their own virtue.	230
	These are the ones who frequent widows' houses	
	And flay the skins off those innocent victims.	
PRIDE	Are you saying these are the dolled-up lords	
	Who run and trot to accumulate all sorts of stuff?	
HATE	Are these the ones who ascend to the head of the table	235
	And who grovel and bow there with hidden intention?	
PRIDE	Are these the ones who sat on the chair of pestilence,	
	Who announce with loud eloquence their commands?	
HATE	Are they the servants of the false gods,	
	Who are utterly dead in the sight of God?	240
PRIDE	Are these the ones of the line of Cain?	
	Thank God I guard myself against such frivolous chaplains.	
HATE	Are those the ones who used to admonish people,	
	These crowing cocks, these angry apes?	
PRIDE	Are these the ones who are like Jezebel's servants,	245
	Who with their false tricks devoured the just?	
HATE	Are these the avaricious bloodhounds,	
	Who always begin by stirring up strife and vile misunderstanding	
	In a peaceful community?	

DIE BECOORINGE DES DUVELS

THE TEMPTATION BY THE DEVIL

- PRIDE                    I tell you, my brother, yes indeed:  
                           Their false nature drives them to destroy everyone.      250
- HATE                    Are these, would you say, the murderers of souls?  
                           Watch your heels or you will find yourself in their prison!
- PRIDE                    Who can you mean, cousin?
- HATE                    Well, those who make a god of their bellies.  
                           Best to keep our traps shut; then no harm will befall us.
- PRIDE                    We are talking about hundreds of them.
- HATE                    There, you say truth:                            255  
                           I'm afraid that gang stirs up a great deal of evil.
- PRIDE                    Everyone can speculate more, according to his heart's desire,  
                           Be they ladies or lords, because thoughts are tax-free.
- HATE                    That's why I want to dance with the witches tonight;  
                           And keep your trap shut: don't go on                            260  
                           About those colourful elves.
- PRIDE                    I shall have myself anointed on the top of my head  
                           With calves' fat, so that no one can harm me.
- HATE                    Listen, cousin, this may remind us  
                           Of the time we raised our voice in public.
- PRIDE                    When was that, then?
- HATE                    When we stirred up King Pharaoh,                            265  
                           And each flew as a traitor into his heart,  
                           So that agonisingly he caused the slaughter,  
                           With intense hate —you know that well —  
                           Of all the little boys of the children of Israel.  
                           That fine plan we brewed up.                                    270
- PRIDE                    Cousin, let's not feel remorse for that,  
                           After all we have to keep our reputation up.
- HATE                    I acknowledge I am called *Eternal Hate*.
- PRIDE                    And I *False Pride*,  
                           I confess that and without shame.  
                           Also we made Pharaoh persecute the Israelites                            275  
                           Until he was swallowed up in the Red Sea.  
                           There they saw him drowned.
- HATE                    Yes, with his entire army.  
                           Those who follow our doctrine, we approve them all.  
                           We know how to stir things up.
- PRIDE                    Also we made Absalom turn against his father,

DIE BECOORINGE DES DUVELS

- ende Joab den verraeder hebben wij oick doerbeeten  
met haet ende nijt.
- HAET                      Wij waren den oirsaek vanden doot der propheeten,  
                            soo hadden wijt beseten thert der heiliger Ipocrijten,  
                            met haer subdijten.
- HOVAERDIJ              Dit sijnse die daer dragen om haer eijgen profijte  
                            geveijsnder habijten. Dat sijnse die ick meen.
- HAET                      Godt danck, daer isser nu ter werelt gheen,              285  
                            groot noch cleen naer mijn verstant vliet,  
                            want Iheluu heeft al den hoop teffens verbrant siet.  
                            dus vintmen int lant niet een sulcke, sout ick hoopen,  
                            dan wij twee. Want wij sijn doer tgoetgat gecroopen,  
                            al was die doer niet oopen wij wisten ons te spoon      290  
                            uijnt den hittigen brant.

                            die wel tcapproen heerlijcken sullen over die oogen treckken,  
                            wiens intencie alleen tot verleijdinge sal streckken,  
                            als beveijsnde geckken, al est nu ten tijt verdoeft  
                            ende vergeeten.
- HAET                      Sus, hoerekint, sus.
- HOVAERDIJ              Hoort neefken, daer compt mijn wat sonderlings int hooft.  
                            Ick bidt u vertoeft met sinnen voordachtich,              296  
                            mijn alligatie.
- HAET                      Waerom peijnsdij toch?  
HOVAERDIJ              Maer ick werde geheel twijfelachtich.  
                            Ick ducht dat hij is crachtich daer lang nae gehoepht is.  
                            Wie soude dat sijn?
- HOVAERDIJ              Die geen die van Johannes gedoopt is.  
                            Mijn tverstant dat loopt wis geheel buijten keeren.      300  
                            Seeker neefjen, mijn verwondert oick seere,  
                            doer die eere die hem van Johannes is geschiet,  
                            seggende tot die Joden: ick ben Crijstus niet.  
                            Doen heeft hij haer bediet met soeten gronden,  
                            siet daer tLam Goodts, diet swerlts sonden      305

- HOVAERDIJ              Doen quammer een stem uijtten hoogen trone,  
                            seggende: 'Dit is mijn sone inden welcken ick heb een behaegen.  
                            Hoort hem in alle dagen'.    Matt. 3

THE TEMPTATION BY THE DEVIL

- And Joab, the traitor, we likewise filled                               280  
 With hate and envy.
- HATE                  We were the cause of the death of the prophets,  
 And equally we possessed the heart of the holy hypocrites,  
 Together with their underlings.
- PRIDE                 These are the ones who, for their own benefit, wear  
 False habits: they are the ones I mean.
- HATE                 Thank God there isn't a single one in the world now, 285  
 Great or small, as far as I can see,  
 For Jehu has burned the whole pack of them together, see.  
 You'll find no one like that anywhere, I hope,  
 Except for us two because we crept through the keyhole,  
 Even though the door wasn't open, we knew how to hurry  
 Away from the searing fire.
- PRIDE                 We'll produce loads like that,                       291  
 Who will pull the cowl over their own eyes quite happily,  
 Our sole intention is to tempt people,  
 As disguised madmen, even though now that's overlooked  
 And forgotten.
- HATE                 Shush, whoreson, shush!
- PRIDE                 Listen, cousin, something peculiar comes to mind.  
 I pray you, think carefully about my idea                               296  
 And its consequences.
- HATE                 What have you in mind?
- PRIDE                 Well, I'm not at all sure.  
 I fear that he who has been long awaited is powerful.
- HATE                 Whoever would that be?
- PRIDE                 The one who has been baptised by John.  
 I don't know what to expect.   300
- HATE                 For sure, cousin, I am also quite amazed  
 About the honour which has been bestowed on him by John,  
 Saying to the Jews, 'I am not the Christ'.
- PRIDE                 Then he explained to them with sweet reasoning,       304  
 'Behold the Lamb of God who takes the sins of the world  
 Away altogether, he and no one else'. He said this beautifully.  
 Then a voice came from the throne in heaven  
 Saying, 'This is my Son, in whom I am well pleased.  
 Listen to him always'.   Matt 3.

THE TEMPTATION BY THE DEVIL

- |       |   |     |
|-------|---|-----|
| HATE  | Never greater sound ...                                       |     |
| PRIDE | Was ever heard.   |     |
| PRIDE | We must lament such joy.                                      | 310 |
| HATE  | Then he was forced by the Holy Ghost                          |     |
|       | Into the wilderness of the desert — never greater suffering!  |     |
| PRIDE | There he now goes roaming.                                    |     |
| HATE  | Yes, experiencing hunger and fasting.                         |     |
| PRIDE | In order to tempt him we must be brave.                       |     |
| PRIDE | We must cook up a cunning plan,                               | 315 |
|       | And peruse our books for false pride                          |     |
|       | And everlasting hate.   |     |
| HATE  | Let's go into our library,                                    |     |
|       | My dear <i>ami</i> , or I will be quite discouraged           |     |
|       | By great despair.   |     |
| PRIDE | Might this be the one whom Abraham promised,                  |     |
|       | Would totally crush the head of the serpent? <i>Genesis 3</i> |     |
| HATE  | I am so angry, I don't know what I shall do.                  | 321 |
|       | I am raging crazily inside. How shall I simmer down?          |     |
| PRIDE | Might this man really be the Messiah                          |     |
|       | About whom we read in all the Scriptures?                     |     |
| HATE  | We have got to devise a special test                          | 325 |
|       | To get to know precisely (listen and don't take the mickey)   |     |
|       | Whether this Jesus is only human, or also God.                |     |
|       | Otherwise we shall pay dearly for the final outcome.          |     |
|       | We must persuade the devil, Satan,                            |     |
|       | To go and tempt him in the desert,                            | 330 |
|       | Because if he's only a man, he'll wither from hunger.         |     |
|       | So Satan must go and test him with temptation.                |     |
| PRIDE | Yes, yes, yes, hey, that's the way to do it!                  |     |
|       | Without too much ado let's get going.                         |     |
| HATE  | No one could make up a better plan.                           | 335 |
| PRIDE | Yes, yes, yes, hey, that's the way to do it!                  |     |
| HATE  | Now all Babylonian vultures will praise us;                   |     |
|       | Lucifer's ants will gather together.                          |     |
| PRIDE | Yes, yes, yes, hey, that's the way to do it!                  | 340 |
|       | Without too much ado let's get going.                         |     |
|       | I'll see you swing from the gallows tonight!                  |     |

*Pause.*

DIE BECOORINGE DES DUVELS

JESUS inde woestijne seijt:

Ghij hebt mijn gesent om dit uuijt te rooden,

maer vader, ick weet ick sal daerom moeten sterven.

*Jesus binnen.*

SATAN uuijt ende seijt:

- Ick, Sathan, helsch duvel eewich versteeken,  
een vermaledijt geest, eewich van Godt verlaeten 375

THE TEMPTATION BY THE DEVIL

*JESUS in the desert says:*

Praise the divine Father, in the Highest of Heaven,  
Who has sent me down to the earth below  
That I should bear witness to your presence here.        345

Praise the divine Father, in the Highest of Heaven,  
For your little sheep I want to offer my precious life  
In order that I may reconcile them to you forever.

Praise the divine Father, in the Highest of Heaven,  
Who has sent me down to earth.  
The forty days have now gone by        350  
When I have fasted beyond nature.  
Thus I shall, O Father, announce your divine word  
Through all the world,  
In order to bring the lost sheep into the proper fold,  
Who has wandered for five thousand years.        355

Also you have sent me, O Father Immaculate,  
To deliver from hell your lost multitudes.  
I shall reveal to the people openly  
That which has been foretold about me by the prophets.  
I want to ease my people's load and not burden them. 360  
I shall teach the innocents what they don't know,  
For Father, your word is now completely lost.  
They give preference to their own words.  
Your precious balm they have thrown away.  
They feed your sheep with poison;        365  
One hears them praise their own fictions.  
Also, each day they raise up all manner of gods,  
Yes, they show people the wrong way to go.  
Those who protest they put to death.  
Triumphantly they push their own made-up commandments.  
O Father, they corrupt your law.        371

You have sent me to root this out  
So that the innocents may inherit your kingdom.  
But, Father, I know that I shall have to die for that.

*Jesus goes in.*

*SATAN comes out and says:*

I, Satan, devil from hell, condemned eternally,        375  
Accursed spirit forever deserted by God

DIE BECOORINGE DES DUVELS

om dat ick eens ben van Godt geweeken.  
Ick, Sathan, helsch duvel eewich versteeken,  
mijn sinnen verstant duncken mijn scueren en breeken,  
om dat Godt die menschen niet en wil verlaeten. 380  
Ick, Sathan, helsch duvel eewich versteeken,  
een vermaeledijt geest, eewich van Godt verlaeten.  
Tmenschen geslacht moeten wij eewich haeten.  
In gramschap moeten wij op hem verhitten,  
dat om toverdencken der plaetsen daer wij eens saten, 385  
dat sij soo triumphelijcken sullen besitten.  
Ick ducht dat hij gecoomen is sonder smitten,  
daer die propheeten off hebben gescreven,  
diet hoofd van ons allen sal verplitten,                  *Genesij 3*  
en met grooter cracht werden aen stuckken gewreven. 390  
Hier om heeft mijn Lucifer uiijt der hellen gedreven,  
dat ick soude verneemen tonser baet  
off hij die geen is die hier beneven  
inder woestijnen aldus vasten gaet.  
Ken weet raet.

HAET	Ou vrient, wat deert u?	
HOVAERDIJ	Weest niet desperaat,                  395	
DUVEL	u niet verslaet, weest vroolick van sinnen. Goe mannen, een saeck is mijn bevoolen, die ick niet weet te beginnen om te recht te bekinnen die hier dus gaet vasten, off hij oick Godt is.	
HAET	Ghij moet hem ondersoecken.	
HOVAERDIJ	Wat, ghij moet hem ondertasten.                  400	
DUVEL	Wij sullen u wel ontlasten, laeten wij u raeden. Wel, ick stel mijn onder u genaeden. Weet ghij mijn tontlaeden soo sijn ick blij. Wat volck sijdij?	
HAET	Ick hiet <i>Eewige Haet ...</i>	
HOVAERDIJ	En ick <i>Geveijnsde Hovaerdij.</i>	
HAET	Wij staen u bij tot uwer gerijven. Ick seg, wij sullen eewich bij u bliven,                  405 om u te verstijven dach en nacht, tegen smenschen geslacht.	
DUVEL	Dats wel bedacht.	

THE TEMPTATION BY THE DEVIL

- Because I once departed from Him.  
 I, Satan, devil from hell, condemned eternally;  
 My senses, my intellect seem to me to be torn and broken,  
 Because God does not wish to desert mankind.                   380  
 I, Satan, devil from hell, condemned eternally,  
 Accursed spirit forever deserted by God.  
 The human race we devils have to hate forever.  
 In wrath we will turn towards them with fury,  
 In remembering the place where we once sat,                   385  
 That place which they will possess so triumphantly.  
 I fear that He who is immaculate has arrived.  
 The one about whom the prophets have written —  
 The one who will crush all our heads,                           Genesis 3  
 And with enormous force will grind us to pieces.           390  
 Because of this Lucifer has driven me out of hell,  
 So that I might learn for our benefit  
 Whether he is the one who next to us here  
 Is fasting in the desert like this.  
 I don't know what to do.
- HATE                         Hey, friend, what's the matter with you?  
 PRIDE                         Don't be desperate.                   395
- DEVIL                         Don't get defeated. Cheer up, old thing.  
 Good fellows, I have been assigned a case  
                                    which I do not know how to begin –  
 To get to know properly him who is fasting here,  
 And also if he's God.
- HATE                         You must investigate him.  
 PRIDE                         Yes, you must get to the bottom of this.  
 DEVIL                         We shall alleviate your burden: let us give you advice.  
                                    Well, I put myself in your hands.                   401  
                                    If you know how to take off the pressure, I shall be glad.  
                                    What manner of people are you?
- HATE                         I am called *Eternal Hate*.  
 PRIDE                         And I *False Pride*.  
 HATE                         We will stand by you, at your service.  
                                    I say we shall remain with you for ever,                   405  
                                    In order to support you day and night  
                                    Against the race of men.
- DEVIL                         That is a good thought.

DIE BECOORINGE DES DUVELS

	Mijn hart dat lacht doer u minnelick narreren. Maer wat sal ick doen?	
HOVAERDIJ	Wij sullen u leeren: ghij moet hem tempteeren, dats onse meenen.	410
DUVEL	Jae, waer mede?	
HAET	Gaet ende neemt steenen, en gaeter mee heenen, onse reden wilt bloot smaeken, en segt hem: 'Wilt van dese stenen broot maeken, tsijn u nootsaeken want u hongert boven maeten'.	
DUVEL	Noijt beter raet.	
HOVAERDIJ	Soo moet ghijt hem toe praeten, Soo moechdij vaeten tuwen profijt, Off hij oick Godt is.	415
DUVEL	Noijt soo verblijt,	
HAET	maer in een ander habijt moet ick mijn voerscijnen.	
HOVAERDIJ	Laet ons daer voor sorgen.	
HAET	Wij sullen u wel raet vinnen, Wij willender ons toe pinnen sonder ijjet te geckken.	420
DUVEL	Wij sullen u een nieuwe cap aen treckken, Soo mogen wij bedeckken u valscheijt altemaelen.	
HOVAERDIJ	Waer sout ickse crijgen?	
	Ick salse u gaen halen, sonder lang draelen sal ick mijn spoeijen.	
<i>Geveijsde Hovaerdij in ende uuijt met die cap.</i>		
DUVEL	Mijn ooren duncken mijn van blijscap gloijen, wie soude toch vermoeijen op sulcke practijcken.	425
HAET	Siet, hier compt hij al rede met die cappe strijcken, sonder beswijcken sal hij u genaeken.	
HOVAERDIJ	Ick sal nu sulcken devooten man van u maecken, soo comen die saecken juijst nae ons wenschen.	430
DUVEL	Hoe heet dit cleet?	
HOVAERDIJ	Heijlich schijnsel voor die menschen.	
HAET	Hier sullen wij u pensen vast in gaen gorden. Ghij sult nu een heijlich religieus worden, soo moechdij gaen torden om hem te vermicken.	
HOVAERDIJ	Coemt, helpt mijn den cap te degen scickken. Nu gelijct ghij wel een dickken baghijnen pater.	435

THE TEMPTATION BY THE DEVIL

- My heart rejoices because you talk so sympathetically.  
But what shall I do?
- PRIDE                    We shall teach you:  
DEVIL                    You must tempt him, that's our advice.         410  
HATE                    Yes. With what?  
                          Go and get stones,  
And take them with you — do as we say —  
And tell him: 'Make bread out of these stones.  
This is what you really need, since you are excessively hungry'.  
DEVIL                    What a good idea.
- PRIDE                    You have to impress this upon him.         415  
So you may find out, to your advantage,  
Whether he is indeed God.
- DEVIL                    I've never been so happy!  
HATE                    But I must make my appearance in a different habit.  
PRIDE                    Let us take care of that.  
                          Leave it to us;  
We shall put our minds to it, no messing about.         420  
HATE                    We shall put you in some new headgear.  
Thus we can totally cover up your falsehood.  
DEVIL                    Where could I get it?  
PRIDE                    I shall go and get it for you;  
Without any delay I shall make haste.
- False Pride goes in and comes out with the cowl.*
- DEVIL                    I think my ears are aglow with joy.         425  
HATE                    Whoever would suspect such ingenuity?  
PRIDE                    See, here he comes running all ready with the cape.  
Without any delay he will come back to you.  
I shall now make such a devout man of you;  
That the matter will happen just as we desire.         430  
DEVIL                    What's the name of this garment?  
PRIDE                    The Illusion of Holiness.  
                          We will get your belly tightly girded in this.  
HATE                    Now you'll become a holy religious,  
And so in this guise you go forth to cheat him.  
PRIDE                    Come, help me to arrange the cowl properly.         435  
                          Now you look like a fat friar from a bénigage.

DIE BECOORINGE DES DUVELS

- HAET                    Wat, nu sijdij een heijlich man!  
 HOVAERDIJ            Wat, jae, bij Lucifers cater,  
 ick lach dat ick scaeter, hoe sout ick mogen swijgen!  
 HAET                    Nu moet ghij thoof op die lester schoer laeten sijgen,  
 stuijpen en nijgen als die geweijnsde apen.                 440  
 HOVAERDIJ            Siet deesen coort met knoopen est gerechte wapen  
 van Jesabels cnaepen; hier moetet nopen  
 ende met deesen slotel doetmen alle sloten open.  
 Dus gaet nu loopen: ghij sijt nu gestoffeert wel.  
 DUVEL                  Mijn saecke wert aen hem genarreert wel.                 445  
 Naer u begeert fel sal ick twerck beginnen,  
 want ick weet die plaetse daer ick hem alleen sal vinnen.
- Den Duvel in.*
- HAET                    Wat gaen wij toch nu maeken, wij twee lieve minnen,  
 met onse lange kinnen, laet mijn dat hooren?  
 HOVAERDIJ            Ken weet geen beter off wij gaen oick binnnen.                 450  
 HAET                    Wat gaen wij toch nu maeken, wij twee lieve minnen?  
 HOVAERDIJ            Gaen wij tsaemen en scarpen ons sinnen,  
 brassen en minnen als Baals gescooren.  
 HAET                    Wat gaen wij toch nu maeken, wij twee lieve minnen,  
 met onse lange kinnen, laet mijn dat hooren?                 455  
 HOVAERDIJ            En heb ick dat niet geseijt?  
 HAET                    Onbeijt, en wilt u niet stooren.  
 Maer gaet ghij vooren datmen u moet versmooren,  
 want soo waerder niet dan tmaecksel verlooren.
- Pausa*
- JESUS                  Loff vader vol vreeden, die tijt is overleeden,  
 die ick hier overbracht heb dus lang geduerlick.                 460  
 Dus dunctet mijn wel reden dat ick mijn gae vertreeden  
 van hier, want mijn hongert natuerlick.  
 O vader, u levende woort, reijn ende puerlick,  
 wil ick vercondigen tot smenschen baeten.  
 Bij haer wil ick mijn hebben soo bruerlick,                 465  
 want inder ewicheijt wil ickse niet verlaeten,  
 die mijn woort aenvaeten.
- SATHAN                Mijn vrient, bij oorlove moet ick wat met u praeten.  
 Mijn verwondert boven maeten dus moet ick u vragen,  
 hoe dat ghij u selven hebt mogen besaeten

THE TEMPTATION BY THE DEVIL

HATE What a holy man you are now!  
PRIDE Golly, yes, by Lucifer's tomcat.  
HATE I'm laughing fit to burst! How can I keep silent!  
Now you have to let your head sag on your left shoulder,  
And bend and cringe like these specious monkeys. 440  
PRIDE See this girdle with knots? That's the right weapon  
For Jezebel's servants. You've got to tie it here,  
And with this key you can open any lock.  
So on your way now, you are very well equipped.  
DEVIL My case will be put to him skilfully. 445  
I shall begin this work according to your keen desire,  
For I know the place where I shall find him alone.

*The Devil goes in.*

HATE What are we going to do now, we two sweet lovers  
With our long chins? Tell me that. 449  
PRIDE Well, I don't know anything better than to go in as well.  
HATE What are we going to do now, we two sweet lovers?  
PRIDE Let us go and sharpen our senses together,  
Revelling and lustng like Baal's priests.  
HATE What are we going to do now, we two sweet lovers  
With our long chins? Tell me that. 455  
PRIDE Didn't I tell you?  
HATE Wait, wait! Don't get angry.  
You lead the way. Let them smother you first,  
Because nothing more than an empty husk would get lost.

*Pause.*

JESUS Praised be the Father, full of peace, the long time  
Which I have spent here is now over. 460  
Thus it seems to be reasonable that I go away  
From here, for as a man I am famished.  
O Father, your living pure unblemished word  
I will preach for mankind's profit.  
I will establish myself with them just like a brother, 465  
Because I do not want to desert them ever,  
Those who embrace my word.  
SATAN My friend, permit me, I'd like to talk with you.  
I am utterly astonished, so that I have to ask you,  
How you managed to sustain yourself,

DIE BECOORINGE DES DUVELS

	om dat ghij gevast hebt.	470
	Ten mach geen naetuerlick mensch voerdraghen dus lang te vasten, dat weet ick bloot.	
	Daerom, sijdij godt, wiltet mijn gewaegen ende maect hier van deese steenen broot, want ick weet ghij honget seer.	
JESUS	Ten is van geen noot.	475
	Maer anders sal ick u maecken vroet, op dat ghij verstaen moecht cleijn ende groot: Die mensche en wert niet alleen bij den broode gevoet, maer leven bij goodts crachtige woorden soet,	479
	hij ist diet doet.	Deutro. 8
		<i>Jesus in.</i>
DUVEL	Wee mijn, wee mijn, ick warde al heel verhoet!	
HAET	Help Lucifer's gebroet, tmach mijn wel spijten.	
HOVAERDIJ	Hoe baerdij doch aldus?	
	Hoe gaedij dus crijten?	
DUVEL	Woude hij u smijten, wat mach u ontbreecken? Och neen hij, maer hij heeft mijn soo vuijlick uiijtgestreken,	486
	ken hoorden noijt spreeken al sulcke reden,	
HAET	Dat sijn recht sijn seeden, maer stelt u te vreden ende hout manieren.	
HOVAERDIJ	Wij sullen u een ander raet versieren.	
DUVEL	Wil dat wel tieren soo verheff ick mijn wempel.	490
HAET	Wat sal ick doch doen?	
DUVEL	Ghij sult hem gaen voeren bove op den tempel, op den hoochsten drempel inden lucht verheven.	
HAET	Jae, wat sal ick dan doen?	
DUVEL	Wij sullen u al in geven, U sijnde beneeven, dus doet ons bevel.	
HAET	Wij sullen u wel helpen.	
DUVEL	Dat weet ick wel,	495
	dus haest ick mijn snel om derwaert te gaen, om hem te omvaen.	
HAET	Eij siet ons hier toch staen, mijn liefste compaen, en sijn wij niet caen twee proper gesellen?	

*Duvel binnen.*

THE TEMPTATION BY THE DEVIL

- Whilst you were fasting. 470  
 No natural human being can bear  
 To fast so long, that I know well.  
 Therefore, if you are God, please show me,  
 And make bread out of these stones,  
 For I know you are very hungry.
- JESUS It is not necessary. 475  
 And indeed I shall teach you something else  
 So that you can understand in every respect:  
 Man is not fed by bread alone  
 But should live through God's powerful sweet words:  
 That is the way to life. Deut. 8  
*Jesus goes in.*
- DEVIL Alas! Alas! I am utterly done for! 481  
 Help, Lucifer's brood! I have reason to regret this.  
 What are you going on about?  
 Why are you yelling like that?  
 Did he try to hit you? What is the matter with you?
- DEVIL Oh no, he didn't, but he has scolded me so foully: 485  
 I've never heard anything like that said before,  
 By any man.
- HATE Well, that's the way he does things.  
 But be content, and keep your hat on.
- PRIDE We shall furnish you with another bit of advice;  
 And if that works, I'll wave my flag. 490  
 Whatever am I going to do?
- HATE You will take him with you high up on the Temple,  
 On the highest parapet elevated in the sky.
- DEVIL What am I going to do then?  
 We shall give you all the information.
- HATE We are on your side, so follow our command.  
 We want to help you.
- DEVIL I know that. 495  
 Thus I'll hurry away with great speed to go there,  
 In order to catch him.  
*The Devil goes in.*
- HATE Well, see us stand here, my dearest friend.  
 Aren't we two proper lads?

DIE BECOORINGE DES DUVELS

HOVAERDIJ	Wij en hebben ons dagen noijt goet gedaen.	500
HAET	En siet ons hier toch staen, mijn liefste compaen.	
HOVAERDIJ	Wij hebben sonder waen alle die werlt verraen; oick sijn wij plaen raet vander hellen.	
HAET	Eij siet ons hier toch staen, mijn liefste compaen, en sien wij niet caen twee proper gesellen?	505
HOVAERDIJ	Wij sijn twee costelijcke meesters.	
HAET	Dat is niet te vertellen, om al te quellen datter oijt was gescaepen.	
HOVAERDIJ	Wat willen wij hier veel langer staen gaepen? Hij sal hem doch betraepen doer onse in blaesen fijn, die ons gelooven mogen wel dwaesien sijn.	510
<i>Pausa.</i>		
<i>Jesus ende Satan staende op een stellage boven taneel.</i>		
SATAN seijt:	Siet ghij den soone godts, segt sonder toven, soo laet u hier off ende daelt van boven, want tot uwer behoven soo staeter gescreven, hij sal sijn engelen schickken beneeven, uijt den troon verheven. Hoort mijn gewaegen.	515
	Sij sullen u op haeren handen wel draegen, tmoet mijn behaegen ende oick versoeten, op dat u niets quaets en sal gemoeten ende oick u voeten niet en stoot aenden steen, tsij groot off cleen.	
JESUS	Wederom staeter gescreven ree:	520
	ghij en sult u heer u Godt niet tempteeren noch becoren.	
	Wilt daer nae hooren.	Deutro. 6
	<i>Jesus binnen.</i>	
HAET	Bij Mammons ghelt kist, tis nu al verlooren.	
	Hoe sullen wijt nu met deesen gescooren duvel maeken?	
HOVAERDIJ	Wij moeten een ander gat gaen boren.	525
HAET	Bij Mammons ghelt kist, tis nu al verlooren.	
DUVEL	En weeten sij mijn niet een ander raet te spooren, soo moet ick versmooren in Lucifer's caecken	
HAET	Bij Mammons gelt kist, tis nu al verlooren.	529
	Hoe sullen wijt nu met deesen gescooren duvel maeken?	

THE TEMPTATION BY THE DEVIL

PRIDE	We have never done anything good in all our days.	500
HATE	Well, see us stand here, my dearest friend.	
PRIDE	Without doubt we have betrayed all the world;	
	Also we are plainly hell's counsellors.	
HATE	Well, see us stand here, my dearest friend.	
	Aren't we two proper lads?	505
PRIDE	We are two ingenious masters.	
HATE	We're too good for words —	
	And we torment everything that ever was created.	
PRIDE	Come, do we want to stand here and gape much longer?	
	He will entrap him through our cunning influence.	
	They who believe us must obviously be fools.	510
<i>Pause.</i>		
<i>Jesus and Satan stand on a scaffold above the stage.</i>		
SATAN	If you are the Son of God tell me without delay.	
	Then jump off here, and descend from above.	
	For your benefit, as it says in scripture,	
	God will send angels to be next to you	
	From the highest heaven. Listen to what I tell you.	515
	They will carry you on their hands,	
	It will please me and make me feel good	
	That nothing evil will ever befall you.	
	And so that you will not hit your feet on the stones	
	Be they great or small.	
JESUS	Well, again, it is clearly written:	520
	You shall not tempt or seduce the Lord your God. <i>Deut. 6</i>	
	Pay attention to that.	
<i>Jesus goes in.</i>		
HATE	By Mammon's treasure chest, now all is lost.	
	How are we going to manage this useless devil?	
PRIDE	We have to go and drill another hole.	525
HATE	By Mammon's treasure chest, now all is lost.	
DEVIL	If they don't manage another device	
	I shall perish in Lucifer's jaws!	
HATE	By Mammon's treasure chest, now all is lost.	
	How are we going to manage with this shorn devil?	530

DIE BECOORINGE DES DUVELS

HOVAERDIJ	Eij, siet hem mijn ginder comen.	
HAET	Wel, hoe staen die saecken? Mijn dunct u tronge staet seer ongenoechelick. Wetij tbescheijt al?	
DUVEL	Wat? Tis mijn onmogelick. Mijn twijfelt ongeloochelick hoe langer hoe meer tijan as dat hij Godt is.	
HOVAERDIJ	Soo moeten wij al weer an,                    535 want hier hangt u eer an voor Lucifer's ogen.	
DUVEL	Wat sal ick dan beghinnen?	
HAET	Wij sullen u toogen naer onse vermogen, soo moechdijt verstant crijgen.	
DUVEL	Jae, hoe sal ickt aen leggen?	
HOVAERDIJ	Maer ghij sulter mee boven op een berch te hant tijgen, Wij willen u in geen schant drijgen noch oick niet honen.	
DUVEL	Dat weet ick wel.	
HAET	Ghij sult hem alle die rijcken ter werlt tonen, want alle vleischelijcke persoonen verstaetet te degen, die sijn tot hoocheijt, tot staet ende tot gericheijt genegen. Twaer quaet gesweegen alsulcke reden.	
HOVAERDIJ	Dan suldij hem seggen: 'Wildij mijn aenbeden,                    545 al dees landen en steeden sal ick u schencken'.	
DUVEL	Hoe sout men oick beteren raet bedencken?	
HAET	Bij gans doot watte rancken can dese man studeeren. Ghij en moecht hem ter werlt niet bet probeeren noch oick temteeren hoort sonder spot mijn,                    550 om te weeten off hij waer mens off Godt sij, daer hebdij tslot ghij vander sentencie.	
DUVEL	Nu wil ick met grooter diligencie laeten hooren mijn eloquacie met een eerstige gront, tot deser stont.	
HOVAERDIJ	Satan in.	
HAET	Siet daer gaet den hont.                    555 Wij en vonden ons dagen noijt beter vont. Nu sullen wij weeten goet ront trechte besceijt, wat man dat hij is. Dats wel geseijt. Die rechte waerheijt sullen wij nu weeten.	

THE TEMPTATION BY THE DEVIL

- PRIDE Hey, see him coming in the distance.  
HATE Well, how are things?  
It seems to me your ugly mug's not exactly contented.  
Do you know the outcome already?
- DEVIL Well, it's impossible for me.  
I am more and more convinced, I can't deny, by St John,  
That he is God.
- PRIDE Then we have to do something else, 535  
Because your honour in Lucifer's eyes depends on this.
- DEVIL What am I going to do?  
HATE We shall show you.
- DEVIL As far as is in our power, you will acquire the means to do it.  
Yes, but how shall I set about it?
- PRIDE Well, you must get him at once to the top of a mountain.  
We don't wait to inflict shame on you, nor mock you. 540  
O, I know that
- DEVIL You shall show him all the realms of the world.  
Because all human beings, understand this well,  
Hanker after power and are inclined to greed.  
It would be bad to be silent about such things.
- PRIDE Then you will say to him 'If you will worship me, 545  
All these countries and cities I shall give you'.
- DEVIL How could one think of anything better?  
By God's death, what a lot of tricks this man has!
- HATE You could not try him out better in this world,  
Or tempt him – listen to me without mockery – 550  
In order to know whether he is truly man or God.  
And there you have the end of the matter.
- DEVIL Now with even greater diligence  
I'll let my eloquence be heard with sound reasoning  
At this moment.
- Satan goes in.
- PRIDE See, there goes the cur! 555  
In all our days we've never found a better trick.  
Now we'll know without doubt the rights of it,  
What kind of man he is.
- HATE That's well said:  
We shall now get to know the real truth.

DIE BECOORINGE DES DUVELS

- HOVAERDIJ Wart desen duvel nu weer vanden back ghebeten,        560  
 soo sal hij beeten als een beseeten verken.
- HAET Neen, neen, hij sal teen off tander mercken.  
 Wii sijn toch twee clercken uijt Antecrijsts scolen!
- HOVAERDIJ Want howen alle die werlt in doolen,  
 Dat howen wij verhoolen binnen onse pensen.        565
- HAET Want wij regieren meest alle die groote hensen  
 ende deese heijlich schijnende menschen neen, dat  
 willen wij swigen.
- HOVAERDIJ Tis seeker best dat wijt gat aenden hals rijgen  
 en haestelick vertijgen,  
 want ick weet, wij sullen nijewe tijdinge crijgen.        570
- Pausa.*
- Satan ende Jesus op eenen berch.
- SATAN seijt: Aensiet hier Judeen, Galileen ende Grieken,  
 Candijen, Sijrien, Babilonien ende Affrijcken,  
 Arabien claer blijcken ende alle des werelts rijcken,  
 Spangen, Vranckrijck ende Venegen verheeven,  
 dits al mijn met dese landen hier beneven.        575  
 Dit sal ick u al geven sonder verlaten ras,  
 wildij mijn aenbeeden.
- JESUS *Vade Satanas,*  
 gaet van hier hels duvel inder ewijger onvreden,  
 ghij sult u heer u Godt aenbeeden,  
 soe alst is reeden ende dienen hem alleen  
 uuijter herten reen. Wee diet verlaeten,  
 want wie eenich ander aenbeeden blijven inder  
 eewicheijt verlaten.        580
- Pausa.*
- DUVEL Waer sijdij nu, mijn raetslieen *Hovaerdij* ende *Haet* quaet?  
 Haer boosen raet gaet nu heel verquisten.
- HAET Wij moeten hem bij gaen tot sijnder baet maet.        585
- DUVEL Waer sijdij nu, mijn raetslieen *Hovaerdij* ende *Haet* quaet?  
 Haer boosen raet gaet nu heel verquisten.
- HOVAERDIJ Hoe macht coomen dat hij soo desolaet staet  
 ende oick desperaet praet? Tis noot dat wijt wisten.
- DUVEL Waer sijdij nu, mijn raetslieen *Hovaerdij* ende *Haet* quaet?  
 U losen raet gaet nu heel verquisten.        591

THE TEMPTATION BY THE DEVIL

- PRIDE If this devil now comes back defeated again 560  
He will then bite like a crazy pig.
- HATE No, no, he will at least notice something or other.  
After all we are two scholars from Antichrist's school.
- PRIDE Because it's us who keep all the world in error,  
And we take care to hide that deep in our guts. 565
- HATE For we govern most of these big cheeses  
And all those who appear so holy. No, we won't  
go on about that.
- PRIDE It's really best for us to keep our traps shut,  
And hastily do a bunk,  
For I know we are about to receive new tidings. 570
- Pause.*
- Satan and Jesus on a mountain.*
- SATAN says Behold here are Judaea, Galilee, and Greece,  
Candia, Syria, Babylon, and Africa;  
Arabia shows clearly, and all the world's kingdoms;  
Spain, France, and noble Venice:  
This is all mine, with these lands here next to them. 575  
All this I shall give to you at once, quickly,  
If you are willing to worship me.
- JESUS Begone, Satan!  
Go away from here, devil from hell, into eternal torment.  
Thou shalt worship the Lord, thy God,  
As it is ordained, and serve Him alone, 580  
With a pure heart. Woe to those who fail to do so!  
For those who worship any other God will remain  
lost forever.
- Pause.*
- DEVIL Where are you now, my counsellors, evil *Pride* and *Hate*?  
Their evil counsel is now going down the drain.
- HATE We must go to his assistance to help him, mate. 585
- DEVIL Where are you now, my counsellors, evil *Pride* and *Hate*?  
Their evil counsel is now going down the drain.
- PRIDE How come he stands there so desolate?  
And also talks so desperately? We must find out. 589
- DEVIL Where are you now, my counsellors, evil *Pride* and *Hate*?  
Your cunning counsel is now going down the drain.

DIE BECOORINGE DES DUVELS

THE TEMPTATION BY THE DEVIL

- HATE  
DEVIL      Well, what are you saying?  
                         Your subtle tricks  
                         Have never so scandalously misfired,  
                         For I have shown him towns and countries.  
                         Oh! I'm grinding my teeth with fury.      595
- PRIDE  
DEVIL      Well, what's happened?  
                         Listen, to what he said  
                         When I proposed this to him in good faith,  
                         That he should worship me.  
                         And I am very pissed off about it.
- HATE  
DEVIL      What did he say?  
                         Well, he happened to notice that I was the Devil —  
                         Then I had to clear out, like an idiot.      601  
                         He said, 'Thou shalt worship only the Lord thy God.  
                         That's the end of it, and thou shalt serve him forever'.  
                         So he must be God
- PRIDE  
DEVIL      I've never been so gutted.  
                         I shouldn't be surprised if I am shitting myself.      605  
                         His words struck in my ears like thunder,  
                         And on top of that, I also saw — listen to this bit —  
                         The angels came to minister to him with great reverence.
- Matt.4  
                         There was never such a disaster on this earth      Luke 4  
                         For the dynasty of hell.
- HATE  
DEVIL      Were you frightened just by one word?      610  
                         Run away, you monstrous devil, into the jaws of hell.  
                         Oh, oh, how shall I make it right with Lucifer  
                         If I have to tell him about all this?
- PRIDE  
DEVIL      All the devils will mock you.  
                         Come let's have this cowl and cloak off him.      615  
                         No, no, I want to hold on to them.
- HATE  
DEVIL      That would mean the eternal sulphur for you  
                         That would really get the devils going.  
                         Because?
- PRIDE  
HATE      They would think you wanted to betray hell.  
                         We must take these off, or they'll stone you.  
                         With such deceptively holy garb      620  
                         Hypocrites have [deceived people] in the past.

DIE BECOORINGE DES DUVELS

SATAN	<i>den cap uuijtgetoogen ende seijt</i>	
	Hier stae ick duvel, naect ende bloot, ick sorch voor die noot die mij sal gebueren	
HAET	Loopt duvel, loept int ewich trueren, daer suldij heuren des duvels schimpen.	625
DUVEL	Och mijn borstelen rijsen! Mijn aren krimpen! Mijn aersgat dunct mijn scrimpen doer dit misval! Hadieu, ick beveel u Lucifer met sijn duvelen al!	
	[ <i>Satan binnen.</i> ]	
HAET	Nu compt hij ter pal, dus laet ons gaen sonder ghescal ende caetsen den bal all op ander trappen.	630
HOVAERDIJ	Dat weet ick te maeken met dusdanige cappen. Wij sullen haer doen clappen nae ons begeeren, ende sullen haer tivollick all anders doen leeren dan deese Jesus gaet tracteeren ende ontfouwen.	635
HAET	Wij sullen tivolck op haer eijgen wercken doen betrouwien. Soo moeten wijt brownen over all int midden.	
HOVAERDIJ	Hij seijden: 'Ghij salt u heer u Godt aenbeeden En dienen hem alleen. Dit moeten wij uuijtroeden'.	
HAET	Wij sullense aen doen been al ander goden.	640
HOVAERDIJ	Armen beenen en hooden die coonen wij stichten. Wij moetense oick alle daechs eens verlichten, jae, al soumer om vichten met cracht en fortzen.	
HAET	Hoe souden wij verlost worden van siechten van coortsen, gijchten en crampen in arm ende been.	645
HOVAERDIJ	En soudtmen niemant dienen dan Godt alleen, soo souden int gemeen die cunst om broot gaen.	
HAET	Ick wout ickse mocht helpen branden off doot slaen die op Goodts woort bloot staen, betrouwien ende hoopen.	
HOVAERDIJ	Waert soe, soo en dorstmen niet meer bevaerden lopen noch offlaeten vercoopen na doude seede.	651
HAET	En soutmen niemant dan Godt alleen aenbeeden, soo waerender meenijgen steden veel leets geschiet.	
HOVAERDIJ	Wat steeden meeendij?	
HAET	Daermen die wonderlijcke miraculen siet.	
	Dat waer dan tot niet ende gans bedurven.	655

THE TEMPTATION BY THE DEVIL

SATAN, *taking off the habit, says*

Here I stand, a Devil, naked and bare.

I fear the pains that will be inflicted on me!

HATE

Run, Devil, run into eternal grief!

DEVIL

There you shall hear the devils' taunts.

625

Oh, my bristles rise! My veins dry up!

I think my arse is shrinking from this misfortune!

Farewell! I command you to Lucifer and all his devils!

[Exit Satan]

HATE

Now he comes to the pillory,

630

And as for us, let us steal away without a sound,

And play ball on different stairs.

PRIDE

I'll manage something else with this get up.

We'll make people say whatever we fancy.

And we shall teach them something quite different

From what this Jesus tries to teach them.

635

HATE

We shall make them rely on their own good works.

That's what we need to get going everywhere.

PRIDE

He said, 'Thou shalt worship the Lord, thy God,

And serve Him alone'. That we must root out.

HATE

We shall make them worship all sorts of other gods:

640 Arms and legs and heads — that's what we will set up.

PRIDE

We must also absolve them once every day,

Yes, even if it would cause violence and disorder.

HATE

How else would we be delivered from illness and fevers,

Gout and cramp, in arms and legs?

645

PRIDE

And if people would worship no one but God

Then knowledge as such would generally count for nothing.

HATE

I wish I could help to burn and kill them,

Those who hope and trust in God's word only.

PRIDE

And then no one would dare go on a pilgrimage

650

Nor sell indulgences as they used to.

HATE

And if people would worship no one but God

Then quite a few places would be in trouble.

PRIDE

What places do you mean?

HATE

Those where you see amazing miracles

655

That would then amount to absolutely nothing.

DIE BECOORINGE DES DUVELS

HOVAERDIJ	Och, daer is dat machtichste goet mee verwurven, huisen en erven, gout, silver en renten.	
HAET	Dit moeten wij tvolck ter herten in prenten, off all onse conventen souden al verstroijt warden. 659

HOVAERDIJ	Laet u dienen, ghij consistorijen, int swerlts glorijen tot allen termijnen. 685	
HAET	Laet u dienen met u costelijcke wijnen.	
HOVAERDIJ	Leert deese droctijnen, leeft sonder ontfarmen.	
HAET	Laet u dienen met het sweet der armen.	
HOVAERDIJ	Acht niet haer carmen, laet den onnosesen praeten. 690	
HAET	Laet u dienen, ow ghij potestaeten, met die gouwe ducaten, cruijsaeten en gouden rijars,	
HOVAERDIJ	Laet u dienen, ou ghij verleijaers, ghij bonte craijaers met u eijgen instellen.

| PRIDE | They got stinking rich with that:<br>Houses and lands, gold, silver, and rents.  |  |
| HATE  | This we have to make people believe,<br>Or all our monasteries would be ruined.  |  |
| PRIDE | If God alone were worshipped we'd come off very badly,<br>And also be stopped from dominating the world. 661                     |  |
| HATE  | If God alone were worshipped it would be a disgrace,<br>And we'd lose the blessing of Antichrist.                                |  |
| PRIDE | Then no one would hear any more fables preached,<br>As often happened in the past. 665   |  |
| HATE  | If God alone were worshipped, all would be lost,<br>The diligent labours of hair-splitting wretches.                             |  |
| PRIDE | And where the worship of Antichrist be,<br>If everything was ascribed to God? It doesn't bear thinking about.                    |  |
| HATE  | Let me tell you, good people, please yourselves, 670<br>And Lucifer's chimney will draw the better.                              |  |
| PRIDE | Those who don't serve themselves are fools.<br>I say that they are mad who don't pay attention to this                           |  |
| HATE  | Treat yourselves by day and by night,<br>Or you shall starve like hungry fieldmice. 675  |  |
| PRIDE | Treat yourselves with bingeing and boozing,<br>With dicing and drabbing.   |  |
| HATE  | Treat yourselves to costly, colourful collars.<br>What the poor suffer doesn't actually matter.                                  |  |
| PRIDE | Treat yourself, be you woman or man, 680<br>Do as we say, and don't stop.  |  |
| HATE  | Treat yourself to costly jewels;<br>To tasty morsels, to dancing and playing<br>With lutes and fiddles, with harps and citterns. |  |
| PRIDE | Treat yourselves, you church elders, 685<br>To worldly glory at all times.   |  |
| HATE  | Treat yourselves to costly wines.<br>You must learn this lesson: live without pity.  |  |
| PRIDE | Treat yourselves to the sweat of the poor:<br>Don't heed their moaning; let the innocents babble. 690                            |  |
| HATE  | Treat yourselves, you potentates,<br>To those gold ducats, crusadoes, and gold reales.   |  |
| PRIDE | Treat yourselves, you seducers!<br>You cocks of the walk, keep your own rules!   |  |

DIE BECOORINGE DES DUVELS

HAET	Laet u dienen, ow ghij gierige gesellen, ou ghij rebellen verhart als stienen.	695
HOVAERDIJ	Waer dit niet beter dan Godt alleen te dienen? Dit is dat wij mienen onder ons beijen.	
HAET	Wil ick u seggen neve, wij willender uuijt sceijen om elders te vermeijen, willen wij ons spoen.	700
HOVAERDIJ	Jae, wat sal ick van dese Jesus vermoen, dat hij hem soo coen tegen den duvel ginck steken, soo dat hij met schanden van hem is gewecken? Ick en hoorden noijt spreecken sulcken besceijt.	
HAET	Hij moet Godt sijn off een groot profeet, ick sweert bij mijn eet. Wat segdijer van?	705
HOVAERDIJ	Soudt hij Godt sijn soo sijn wijer niet wel an, want niemant en can Godt bedriegen.	
HAET	Maer is hij van een mensch, soo weeten wij hem te beliegen, als wij gaen vliegen uuijt nijdige parten	710
	in die schriftgeleerden ende Pharijsesche harten, onse heilige tarten die Goodts leeringe haeten.	
HOVAERDIJ	Is hij een propheet soo en sal hijs niet laeten haer te straffen aenvaeten bij dach ende nachten.	
HAET	Is hij een propheet soo sal hij al dander slachten, die daer straffen en verachten, die tegens Goodts woorden staeken.	715
	Als sij uuijt gericheit gingen afgooden maeken, dit gingense laeken, daerom mosten sij sterven.	
HOVAERDIJ	Dit selfden doen wij hem oick beerven,	720
	wil hij anders affkerven dat onse geestelijcke heeren tvolck dagelicxs preeken ende nu leeren naer haer selfs begeeren, dagelicxs inder kercken.	
HAET	Sij moeten neerstich toe sien.	
HOVAERDIJ	Sij moeten op hem mercken,	724
	want aen sijn wercken salmen hem kennen, sonder duchten.	
HAET	Een boom kentmen wel aen sijn vruchten, dit en sijn geen cluchten noch visevasen.	
HOVAERDIJ	Wij moetender op mickken.	
HAET	Wil deese Jesus oick als dander profeeten raesen, soo sullen wij gaen op blaesen al ons subdijten.	

THE TEMPTATION BY THE DEVIL

HATE	Treat yourselves, you greedy misers, You mavericks, hardened as stones.	695
PRIDE	Would it not be better than just serving God? This is what the two of us are after.	
HATE	I tell you, cousin, we'd better be off And hurry away to amuse ourselves.	
PRIDE	Yes, but what am I to think about this Jesus, Who so bravely stood up to the devil, To make him retreat in shame? I never heard a stranger story.	700
HATE	He must be God, or a great prophet, I'll take an oath on it. What d'you think?	
PRIDE	If he is God, we don't stand a chance, For no one can deceive him.	
HATE	But if he's a man, we can deceive him, When we fly with evil intent	710
	Into the hearts of scribes and Pharisees, Our holy tormentors who hate God's teaching.	
PRIDE	If he is a prophet then he will not fail To punish them by day and by night.	
HATE	If he is a prophet he will be like all the rest, Who punish and scorn Those who rebel against God's words. When greed made false gods The prophets punished it and so had to die.	715
PRIDE	We'll do the same to him,	720
	If he prevents our spiritual masters Preaching and teaching people daily In church what they want to hear.	
HATE	They have to keep a close eye on him.	
PRIDE	They have to pay attention to him	724
	Because he shall be known by his works, without doubt.	
HATE	One often knows a tree by its fruits: These are no farces, nor nonsenses.	
PRIDE	We will have to aim for that.	
HATE	If this Jesus goes on like other prophets, We'll have to muster all our servants.	

DIE BECOORINGE DES DUVELS

HOVAERDIJ	Wat volck meendij?	
HAET	Ons scrijft geleerden ende Ipocrijten.	730
	Het souden haer seer spijten woude hijse straffen.	
HOVAERDIJ	Beghint hij oick te preeken, te baffen,	
	soo sullen wij recht scaffen hem bringen om den hals.	
HAET	Dats immers goet duijts.	
HOVAERDIJ	Ten is seeker geen wals,	
	dus sonder veel gescals gaen wij, wacharmen.	735
HAET	Wij sullen ons heijlicheijt noch bet openbaren	
	als wij onse snaeren voort volck doen clincken.	
HOVAERDIJ	Noijt mensch en heeft met ons wel gevaren.	
HAET	Wij sullen ons heijlicheijt noch bet openbaren.	
HOVAERDIJ	En sijn wij twee geen propere verraeren?	740
	Noijt beter caren en machmen bedincken.	
HAET	Wij sullen ons heijlicheijt noch bet openbaeren,	
	als wij onse snaeren voort volck doen clincken.	
	Wij sullen haer fenijn voor wijn noch schincken.

THE TEMPTATION BY THE DEVIL

PRIDE	What sort of folk do you mean?	
HATE	Well, the Pharisees and Hypocrites	730
	Who would be livid if he attacked them.	
PRIDE	If he begins to preach, and spout,	
	We'll be right to punish him, and kill him.	
HATE	That's not double Dutch.	
PRIDE	It's certainly not French.	
	Let's be off quickly and quietly.	735
HATE	We will reveal our holiness even better	
	If we sing people our own song.	
PRIDE	No one has ever done well with us.	
HATE	We will reveal our holiness even better.	
PRIDE	And aren't we just two proper traitors?	740
	We are the tops. We are the champions!	
HATE	We will reveal our holiness even better	
	If we sing people our own song.	
	Instead of wine we'll serve them poison.
